Aims and Scope

VNU Journal of Science: Education Research publishes *double-blind* peer-review research papers, communications and reviews dealing with: Education management, Education reform, Education research, Education studies, Teaching and learning.

Publication Information

The journal publishes *quarterly in March, June, September, December* by the Vietnam National University, Hanoi. As a fully open access publication, the journal will provide maximum exposure for published articles, making the research available to all to read and share. A corresponding print version is also available.

Any manuscript followed the journal's scope and author guideline will be assigned to managing editors. All manuscripts undergo an editorial screening and a double-blind peer review by at least one independent expert in the field. The managing editors make an editorial decision, which is subject to endorsement by the Editor-in-Chief.

Further Information is available through the journal website: <http://js.vnu.edu.vn>

Publication Permit No 223/GP-BTTTT, issued 22/7/2014. Printed at Hoang Quoc Viet Technology and Science Joint Stock Company, No. 18, Hoang Quoc Viet Street, Cau Giay District, Hanoi, Vietnam. Legal Deposit: Quarter II/2020.

GUIDE FOR AUTHORS

GENERAL

Types of article

Contributions falling into the following categories will be considered for publication: Research Paper, Review Article, Communication, Erratum.

Submission checklist

One author has been designated as the corresponding author with contact details: E-mail address, mobile phone number, full postal address. All necessary files concerning to the manuscript have been uploaded: Include keywords, all figures (include relevant captions), all tables (including titles, description, footnotes, ensure all figure and table citations in the text match the files provided. Further considerations: Manuscript has been "spell checked" and "grammar checked"; all references mentioned in the Reference List are cited in the text. Referee suggestions and contact details provided, based on journal requirements

Submission

Our online submission system guides you stepwise through the process of entering your article details and uploading your files. Editable files (e.g., Word, LaTeX) are required to typeset your article for final publication. All correspondence, including notification of the Editor's decision and requests for revision, is sent by e-mail. Please submit your article via <https://js.vnu.edu.vn/ER/login>.

PREPARATION

Double-blind review

To facilitate the double-blind review, please include the following separately. *Blinded manuscript*: This is the manuscript without author details. It should not include any identifying information, such as the authors' names, affiliations, acknowledgements and any Declaration of Interest statement, and a complete address for the corresponding author including an e-mail address. *Full manuscript*: This is the manuscript with author details.

Essential title page information

- **Title.** Concise and informative. Titles are often used in information-retrieval systems. Avoid abbreviations and formulae where possible.
- **Author names and affiliations.** Please clearly indicate the given name(s) and family name(s) of each author. Present the authors' affiliation addresses (where the actual work was done) below the names. Indicate all affiliations with a lower-case superscript letter immediately after the author's name and in front of the appropriate address. Provide the full postal address of each affiliation, including the country name and, if available, the e-mail address of each author.
- **Corresponding author.** Clearly indicate who will handle correspondence at all stages of refereeing and publication, also post-publication. This responsibility includes answering any future queries about Methodology and Materials.

Abstract

A concise and factual abstract is required. The abstract should state briefly the purpose of the research, the principal results and major conclusions. An (additional) extended abstract in English (of at least 300 words) is required for articles written in Vietnamese.

Keywords

Immediately after the abstract, provide a maximum of 6 keywords, and avoiding general and plural terms and multiple concepts (avoid, for example, "and", "of").

References style

Text: Indicate references by number(s) in square brackets in line with the text. The actual authors can be referred to, but the reference number(s) must always be given. Example: "... as demonstrated [3, 6]. Barnaby and Jones [8] obtained a different result".

List: Number the references (numbers in square brackets) in the list in the order in which they appear in the text.
