Aims and Scope

VNU Journal of Science: Medical and Pharmaceutical Sciences publishes *double-blinded* peer-review research papers, communications and reviews dealing with: Basic medical and pharmaceutical sciences, Clinical medicine and pharmacy, Dentistry, Drug, Economics of health care, Health sciences, Medicine, Medical practice, Nursing, Public health, Pharmaceuticals, Pharmaceutical sciences, Pharmaceutical policy.

Publication Information

The journal publishes *quarterly in March, June, September, December* by the Vietnam National University, Hanoi. As a fully open access publication, the journal will provide maximum exposure for published articles, making the research available to all to read and share. A corresponding print version is also available.

Any manuscript followed the journal's scope and author guideline will be assigned to managing editors. All manuscripts undergo an editorial screening and a double-blinded peer review by at least one independent expert in the field. The managing editors make an editorial decision, which is subject to endorsement by the Editor-in-Chief.

Further Information is available through the journal website:<http://js.vnu.edu.vn>
